25X1 10. [ ] Met with Miss Marge Almloff, Assistant  
to Representative Don Clausen (R., Calif.) concerning the [ ] 25X1  
correspondence. Miss Almloff advised that Representative Clausen had  
provided an interim response on 12 January and that the most recent letter  
25X1 from [ ] was forwarded to us on Thursday. Miss Almloff noted  
in passing, the apparent difficulty of utilizing standards applicable to the  
Agency retirement act in the administration of the Civil Service Retirement  
Act as it relates to Agency employees. She chided me lightly on the  
statement in the last letter to [ ] concerning the fact that his 25X1  
position may be surplus. She noted that at least in preliminary review,  
it appeared to weaken the Agency's position. I advised that [ ] 25X1  
would be invited to visit the Agency headquarters for the purpose of reviewing  
his case in depth with the Agency General Counsel and that we might  
anticipate at this time that the reviewing of his case would be several weeks  
rather than the one or two weeks that I originally discussed with her.  
Miss Almloff expressed her appreciation for my coming by and noted that  
it was helpful that we were keeping Representative Clausen abreast of  
developments.

25X1 11. [ ] Received a call from Mr. W. H. Boone,  
House Science and Astronautics Committee staff, concerning travel of an  
individual in the Soviet Union that he had discussed with Mr. Duckett.  
Mr. Boone requested that I pass on to the Deputy Director that the individual  
is now pressed for time in responding to an invitation. Mr. Duckett's  
office has been advised.

25X1 12. [ ] With regard to her inquiry on [ ] 25X1  
[ ] I advised Miss Sikes, State Department Congressional Relations  
staff, that any information we had on this individual had been passed to  
the Army. I suggested she contact Army Legislative Liaison which was the  
proper agency on this case.
